Monday, December 7	CARLETON PLACE Arena 75 Neelin St 12 noon to 8 pm Forms will be given out at 10am

Bring your Health Card and Driver's Licence for registration

Children must be accompanied by their parent or legal guardian to provide consent - check our website for a consent form if you wish to send your child with someone else

To keep wait times to a minimum, the Leeds, Grenville and Lanark District Health Unit will give people numbered forms and a specific time to return for their vaccine. This process should eliminate the need for people to line up hours prior to the clinic opening. Health Unit staff will be at the clinic site handing out forms in advance of clinic opening.

We can't predict the demand for the vaccine at each clinic and are trying to make process changes to future clinics

H1N1 Vaccine is not available for infants under 6 months of age.
