INDEPENDENT AUDITOR'S REPORT

To the Chairman and Members,
THE CORPORATION OF THE LEEDS, GRENVILLE & LANARK DISTRICT HEALTH UNIT

Report on the Financial Statements

I have audited the accompanying financial statements of THE CORPORATION OF THE LEEDS, GRENVILLE & LANARK DISTRICT HEALTH UNIT which comprise the Balance Sheet as at December 31, 2010 and the Statements Of Operations - Public Health Programs, Operations - Land Control Program, Operations - Healthy Babies, Operations - Heart Health (Healthy Communities) Programs, Operations - Healthy Community Partnership, Operations - Healthy Smiles Ontario, Operations - Infection Control, Operations - Smoke Free Ontario, Operations - Small Drinking Water Systems and Reserve Funds for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

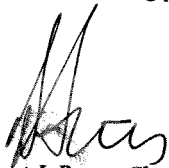

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Public Health Programs, Land Control Program, Healthy Babies, Heart Health (Healthy Communities) Programs, Healthy Community Partnership, Healthy Smiles Ontario, Infection Control, Smoke Free Ontario and Small Drinking Water Systems and Reserve Funds of The Corporation Of The Leeds, Grenville And Lanark District Health Unit as at December 31, 2010 and the results of its operations for the year then ended in accordance with the accounting principles disclosed in the Summary of Significant Accounting Policies.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
DECEMBER 31, 2010

1. NATURE OF BUSINESS

The Health Unit is incorporated under the laws of Ontario. Its mission is to work with the community to protect, promote and enhance health by determining issues, and developing and providing quality preventative health programs and services.

2. BASIS OF PRESENTATION

The Corporation of Leeds, Grenville and Lanark District Health Unit operates the following programs:

Fiscal years ending December 31:

- Public Health Programs
- Land Control Program
- Healthy Babies Program
- Heart Health (Healthy Communities) Program
- Healthy Community Partnership
- Healthy Smiles Ontario
- Infection Control
- Smoke Free Ontario
- Small Drinking Water Systems

Fiscal years ending March 31 (100% Ministry of Health funded):

- Language Express Program
- FOCUS Program

These financial statements present the financial position and results of operations of the Public Health, Land Control, Healthy Babies, Heart Health (Healthy Communities), Healthy Community Partnership, Healthy Smiles Ontario, Infection Control, Smoke Free Ontario and Small Drinking Water Systems only.

3. MANAGEMENT RESPONSIBILITY

These financial statements are the representation of management prepared in accordance with accounting policies discussed below. Since precise determination of many assets and liabilities is dependent upon future events, the presentation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgements.

4. CAPITAL ASSETS/ CHANGE IN ACCOUNTING POLICY

In accordance with Public Service Accounting Board standard 3150, the organization must recognize tangible capital assets at their cost amount net of amortization effective fiscal years beginning on or after January 1, 2009. Capital assets are amortized on a straight-line basis at rates reflecting the asset's useful life as follows:

Land -	N/A
Computer equipment -	3 years
Multi-media equipment -	5 years
Other equipment -	10 years
Furniture -	10 years/15 years
Building improvements -	15 years
Building -	40 years
Vehicles -	10 years

5. ACCRUAL ACCOUNTING

Revenues and expenditures are reported on the accrual basis of accounting.

The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

6. REVENUE RECOGNITION/DEFERRED REVENUE

Revenue received during the year that has been allocated to capital asset acquisitions is deferred and amortized at the same rate as the asset to which the funding relates.

7. FINANCIAL INSTRUMENTS

The organization's financial instruments consist of cash, accounts receivable, and accounts payable and accrued liabilities. The book values of accounts receivable, accounts payable and accrued liabilities approximate fair values due to their short-term nature.

1. ASSETS OF THE RESERVE FOR EXPENDITURES

The investments and related accrued interest receivable are held in trust for the use and benefit of the Health Unit as it shall direct. These funds are available to be used exclusively for the municipal share of expenditures that are approved by the Board of Health.

In 1992 the Brockville General Hospital satisfied its December 31, 1991 indebtedness to the Health Unit with approximately 1.1 acres of property located behind the property on which the Health Unit's head office building is situated.

The Health Unit entered into an agreement with the City of Brockville granting the city the right of first refusal on the 1.1 acres of property at its original cost. The right of first refusal expired in 1995 and has not been formally renewed.
