

2008 Pap Test Clinics

All women who are, or have ever been, sexually active should be screened for cervical cancer.

Cancer of the cervix can be prevented with regular Pap tests.

Call your doctor or nurse practitioner to book your Pap test — it could save your life!

No Doctor or Nurse Practitioner?
Call to book a free Pap test with a female nurse practitioner:

To book your appointment or for more information

613-283-2740 or 1-800-660-5853
