Help for All Parents in Leeds & Grenville

Every parent needs information to help them on their parenting journey.

Triple P-Positive Parenting Program is for parents with children from 0-18 years. Topics range from sleep to toilet learning to homework completion to disobedience. Triple P practitioners can help parents find the answers and strategies that they need.

Triple P researchers have listened to and worked with thousands of parents and professionals across the world. They have shown that Triple P works for many different families, in many different circumstances, with many different problems, in many different places!

Leeds and Grenville has a comprehensive Triple P parenting support system for all parents.
