

## Are You Concerned About Your Child's Speech and Language Development?

Language Express Preschool Speech and Language Services can help you! Language Express sees children in Lanark, Leeds and Grenville Counties from birth until the beginning of their Senior Kindergarten year. If you have any of the concerns listed below, please call Language Express at 1-888-503-8885:

- If your child's speech and language skills have not improved over the past six months,
- If your child often repeats sounds and/or words (stuttering),
- If your child's voice sounds different to you,
- If your child's play or social interaction seems inappropriate,
- If your child has a diagnosis such as cleft lip/palate, hearing loss, Autism or developmental delay,
- If your child is not meeting one or more speech/language milestones for his or her age.

If you are concerned about your child's speech and language skills or are interested in how your child is doing, call the Language Express Preschool Speech System at **1-888-503-8885**. A speech-language assessment can identify your child's strengths and needs and can help you prepare your child for school. For more information, check out our website: [www.language-express.ca](http://www.language-express.ca)

Junior Kindergarten-aged children born in 2009 must be referred before January 31, 2014 to receive an assessment and recommendations. **After January 31<sup>st</sup>, referrals will only be accepted for children born in 2010 or later.**
