MEDIA RELEASE

Dec 22, 2014

Health Unit & Counties Strengthen Support for Parents

The Leeds, Grenville and Lanark District Health Unit in partnership with the United Counties of Leeds and Grenville are collaborating in 2015 to strengthen and extend the supportive environments for all parents and babies. Beginning January 6th, 2015 all Baby Talk groups, in Leeds and Grenville, will be located at an Ontario Early Years Centre in Brockville, Prescott, Gananoque and Kemptville. Baby Talk will continue to be a place for parents and babies to gather and meet other parents, ask questions about infant feeding, growth and development milestones and positive parenting. Baby Talk groups will have an Early Learning Professional and Public Health Nurse available to support the needs of the groups to ensure they have timely access to accurate health information.

For further information on dates, times and locations please go to <http://www.healthunit.org/children/parents/babytalk.htm>, or contact the Health Action Line at 1-800-660-5853 or the Ontario Early Years Centre at 1-866-433-8933 x 2374. You can also like the Health Unit on Facebook for important updates.
